

## **JSL notes of Peso summary of interview with Fernando Schilling on 8/5/04**

Wheelchair in prison; rheumatoid arthritis

Nice Guy

No idea when he will be paroled. He said “I will help in anyway I can” and “I think they’re going to ship me to MX [when I’m released].”

Reason C. Hernandez was sent to prison 1<sup>st</sup> time in the ‘70’s—robbed several convenience stores: That’s what he heard from Paula who said her brother was in prison for robbing several Circle K stores.

C. Hernandez and C. Deluna: He thought CDL was “spitting image” of C. Hernandez when he was younger.

Fernando said “Shit, I got goose bumps” from seeing how much CDL looked like the younger C. Hernandez.

**Fernando said C. Hernandez was “crazy, fucking weird” when he gets drunk—He would physically fight with me. He’d say “I’m going to kill you just like I killed that fucking bitch Dahlia.”**

**Paula to F.S. “My brother told me he killed Dahlia.”**

**Paul Rivera told F.S.— “C. Hernandez scares me; we think he killed other young girls.” One such girl: “Woman under bridge” [Could this be in 1983?]**

Knife: C. Hernandez always had that kind of knife; always carved; always playing with a knife.

When he met Paula, when he was 16 (early 1970’s)- Carlos was in Prison- That’s when he first met C. Hernandez. Knew him all through. C. Hernandez always around and present.

C. Hernandez is so weird.

His mother is off her rocker. Her and C. Hernandez had special relationship; she favored him; liked him most.

He got back with Paula at some point after Dahlia’s murder.

Dahlia was for money; he regretted it.

He really loved Paula.

**C. Hernandez hung out at Casino Club.**

Eddie in Corpus Christi; not in touch

Heard that Margaret had child fathered by Carlos Hernandez, Sr.

He heard from Paula that C. Hernandez raped Priscilla.

C. Hernandez and Jon Kelley: “Weirdest relationship”; Jon Kelley running for some political office; C. Hernandez involved in the campaign; J.K. bought C. Hernandez lunch.

Whenever C. Hernandez got in trouble, J.K. would tell Paula “don’t worry about it, I’ll take care of it.”

Thinks C. Hernandez was bisexual; hung out at gay clubs; hinted there might be some sexual relationship with JK.

When he got drunk CH would blurt stuff out.

Rosa—had a child with C. Hernandez; she was scare of him; she poured scalding hot water on him and he was in the hospital; she was illegal.
