Subject: DE LUNA - DPS documents on Carlos Hernandez

Jim - yesterday I reviewed the remaining DPS material on HERNANDEZ in person. Of the 114 pages that were to be reviewed, those relating to driver's license details concerned the wrong Carlos HERNANDEZ ? this individual had DOB: 11/23/60 . I asked Assistant General Counsel Pamela Smith to find any material on the right Carlos HERNANDEZ.

The other documents I reviewed were from the DPS laboratory records and concerned 2 cases ? the 1979 death of Dahlia Saucedo and the 1994 possession of a controlled substance.

Re: Saucedo, the material concerned the hairs recovered from the crime scene and the polygraph examination of the key players. HERNANDEZ gave 2 inconclusive tests, Pedro OLIVAREZ deceptive result, Jesse GARZA deceptive result, John LONGORIA non-deceptive result, Jerry CONDON non-deceptive result, Freddie SCHILLING non-deceptive result, Apolinar SAUCEDA non-deceptive result, Rogelio FUENTES (a minor) deceptive result.

Re: 1994 PCS case, the material concerns the chemical analysis of the heroin recovered.  
Regards, William

Thanks, William for this. Will you be able to scan/copy ask for copies of the entire 114 pages? Even some of the really mundane drivers license stuff is really important if it shows his location, cars, and ability to operate a vehicle at various points. If possible, therefore, I would like to get everything. But I would especially like to have YOU scan everything. Would that be possible? Let me know. Again, thanks. j

RE: Fw: DeLuna: materials from Dan No

Jim - I received the materials from the DPS that cover points 1 to 4 - see your email below.

1. **re-arrest report** - arrested 10/18/78 by NCSO for evading arrest. There's no information concerning the reverse side. If this copy from microfilm maybe the reverse was never put onto microfilm - if there was something on it.
2. **re-arrest report 1627** - arrested 11/15/83 by NCSO for bodily injury and violation of state parole. No information concerning the reverse side.
3. **form with the number "0003211509" in the upper left hand corner and the number "1856" in the upper right hand corner** relates to 03/15/94 arrest by CCPD for possession of controlled substance (heroin). Information comes from previous page of same date as the copy is still unreadable.
4. Still largely unreadable. Relates to 01/12/1996 arrest by CCPD for assault threaten bodily injury.

There are 114 pages of documents concerning Herandez that the DPS has - 70 pages from the crime lab and 44 from the drivers license division. Pamela Smith has allowed me to inspect them in person or have them posted. I thought I might go in person as its quicker and I can ask about the reverse side of the re-arrest reports. William
