

VOLUNTARY STATEMENT-Not Under Arrest
PS2 form 9
(Rev. 5-84)

POLICE DEPARTMENT
CITY OF CORPUS CHRISTI
COUNTY OF NUECES, TEXAS

Before me, the undersigned authority, on this the 16th day of April A.D. 19 89, personally appeared Bernardina Ybanez, address 1014 7th St., age 30, phone number 882-6549.

My name is Bernardina "Dina" Ybanez. I was born on 7-12-58. I live at 1014 7th St., Corpus Christi, Texas, phone #882-6549. I work at Rosita's Mexican Restaurant at 2319 Morgan, Corpus Christi, Texas. On Saturday, 4-15-89, Sgt. Mayorga talked to me and I told him how Carlos Hernandez stabbed me this morning, 4-15-89, at about 12:30AM. Carlos Hernandez was staying at my house for almost three months because he would babysit my kids and he did not have a place to stay. He would stay in the garage most of the time. Last night when I got off work, it was about 10:30PM (4-14-89). I called him to come pick me up at work but he was not home. I got a ride with Lydia, who works with me. I don't remember her last name. When I got home, Cindy Maxwell, who is Carlos Hernandez's common law and also lives there, told me Carlos was drunk, had left in my car and was not going to bring my car back. Carlos finally got home at about 12:30AM (4-15-89). I went outside and told him to give me the keys to my car. Carlos started pushing me around and pushed me against the tree by the driveway. He then pulled out the knife from his back pocket. It was already opened. Carlos then stabbed me with the knife which he had in his right hand. He stabbed me one time in my stomach. Carlos was jealous because I am dating a guy. He said, "How come you can give him some and not me?" He said this in spanish. He said this moments before he stabbed me. I tried to stop him after he stabbed me one time but he cut two of my fingers in my right hand. He was going to stab me one more time when my son Andy picked up a big stick and hit Carlos on the head. Carlos did not stop. At this time, my older son Johnny (14YOA) came out of my house with a kitchen knife to save me and Carlos let me go and started running. My son Andy (12 YOA) ran inside and called the police. The police got there and I told them what happened. I want to file charges on Carlos Hernandez for stabbing me. This statement is true and correct to the best of my knowledge. END.
