At approximately 11:00 p.m. on 5-11-84, officer Tull was counting on C-8 when he told me that he smelled glue on 2-row. I went in the pipe chase and saw inmates Delima, Carlos #000744 and Gardner, David Allen #000679 sniffing glue. I called the desk and they sent officer Ehead and officer Davis for shakedown. Upon shaking down, we found one bottle of glue and one bottle of paint thinner. The inmates were escorted to the desk.
