Eddie Garza

Retired CCPD Sgt: 10/01/1964-01/04/1988

Currently owner of "Eddie Garza Security and Investigations" Tx PI Lic.

Lopez homicide; was working homicide at the time. Didn't work the Lopez killing. Was told Carlos DeLuna (cdl) was the killer. Print was found on a cig package at c/s and id'd to cdl. Cdl was found hiding under a car a short distance from the scene. Cdl was positively id by wit. at scene. Physical evidence put him at the scene. We got the right guy.

After being told of the evidence and case presented against cdl at trial by the prosecutor eg asked who represented cdl? Jimmy Lawrence? He is one of the most incompetent attorneys in cc. Lazy, court appointed, collects his fees, and forces his clients to plea bargain without regard to guilt or innocence. Has sent many innocent people to prison.

[Material removed] Garza talked about murder cases with unlimited physical and other evidence, slam dunk cases, rich people's families involved, cases never charged or if they were are thrown out of court, Gillette homicide, Flato Road Hit and others.

Cdl, lived near the PD was a "slow" kid mentally, started hanging with the wrong crowd and started getting into trouble.

Carlos Hernandez (Ch) had a rap sheet a mile long. He was always in trouble. CI for Bull Gamez, (found address for Bull in phonebook) retired CID officer and Albert Perez, retired but now mentally disabled. Ch was a violent person. Remembered X's on backs of victims, Dina assault and Dahlia Saucedo homicide. Police rec'd new info re: ch told someone he killed Dahlia. Info. came from unk source which lead to the 1986 charge. Jon Kelly represented ch in Dahlia homicide. Garza was not involved in case. Very poor investigative work done on the case and other cases like the Arnold case. Didn't want anything to do with the cases. Cases were compromised from the beginning.. at the crime scene. No control of scene or collection of evidence. Some police, prosecutors and judges were and still are corrupt, on the take.

In the cdl case, and others like it, cdl was indigent, border line retarded, and an easy mark for the prosecutors and judges and police to keep their conviction numbers looking good to the public so they were able to let the rich people pay their way off their cases w/o drawing attention. They don't worry about lack of evidence as long as the defendant has no money. Local police, prosecutor, and judges are corrupt!

Jon Kelley could be strange in court, had some kind of a break down.

[Material removed] In court sometimes Kelley was prone to outburst.

Mary Louis Ellis is dead. Cindy black girl, lived with ch?? when. Sandra Serria, friend of Mary Ellis lives near Morgan on either Verbena St or Sabinas St. Sandra is in her 40's is accomplished with Karate/knife fighting. Sandra's brother, Jessie is or has been a professional boxer.

Bill May: Dreamer, good attorney in court, **[material removed]**.

Eddie Garza thought Hector de Pena was going through a divorce before and during the DeLuna trial.
