BUREAU OF IDENTIFICATION
POLICE DEPARTMENT
CORPUS CHRISTI, TEXAS

Field Investigation Report

Time: 8:15 p.m.	Offense Shooting	Comp. No. 830204-144
Date: 2/4/83		Lab Case No.
Victim's Name Shamrock Station	Location 2602 SPID	Investigation requested by: S. Fowler
Property Attacked unknown, robbery		Latent Prints found on: yes

Report in Detail:

Sgt. Fowler asked me to process two Miller Lite beer cans which he found out the back of the gas station on the grass. He believed that maybe in some way this were handled by the person who committed the robbery. These were processed and some partial prints were obtained from one of the cans, and this turned in to latent print examiner. Sgt. Escobedo requested the inside of the glass door be processed and some latents were obtained and turned in. The items mentioned, a knife and pack of Winstons cigarettes were first photographed where they were found. After the photos were taken the items were processed for latent prints. No prints were obtained because simply there were none. The counter top was also processed at the cash register. Again no latents were recovered because there were none. The photos taken were done under the direction of C.I.D. Sgt. Escobedo who was at the scene. No other prints found.

Photographs: (Description) 36 photos area inside the gas station where a struggle took place	Evidence Found: (Description) Latents of no value
