## Murder Victim Found In Park

The badly beaten body of a 22-year-old man was found Saturday morning in Manuel S. Diaz Park here.

Capt. Secundino Tamez of the Robstown Police Department said a young man came upon the body of the victim at about 10:30 a.m. Saturday, May 19.

Tamez identified the dead man as Efriso Hernandez, 22, of 217 Carrizo in Corpus Christi.

The body was found near the stage area of the park at the foot of the "hill".

Tamez said details are sketchy and the investigation continues.

The man was apparently killed by being beaten and cut with a bottle.

The Nueces County Medical Examiner was called and re- (See MURDER, Page 5)

representatives of his office said there were lacerations around the victim's face and abdomen.

"It is hard to tell at this time exactly where the murder took place," Tamez said. "We do not have very many leads at this time."
