DEFENDANT'S MOTION TO REQUIRE THE PROSECUTION
TO REVEAL ANY AGREEMENT WITH A WITNESS
THAT COULD INFLUENCE HIS TESTIMONY

FILED

JAN 1 - 1980 pm

OSCAR SOLIZ, CLERK
DISTRICT COURT, NUECES COUNTY, TEXAS
By Victor M. Balboa Deputy

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW Jesse Garza, Defendant in the above entitled

and numbered cause by and through his attorney of record and moves the Court to require the prosecution to reveal any agreement with the witness Pete Olivares in the nature of concessions by the State of Texas to the witness which could influence the witness' testimony, and in support of this motion would show unto the Court the following:

I.

The witness Pete Olivares is a cooperating conspirator in the offense with which the Defendant is charged. The witness has testified on direct examination as a key prosecution witness and his testimony seeks to inculcate and implicate the Defendant as having engaged in criminal conduct alleged herein.

II.

If the prosecution has either made, promised or implied that it will make concessions to the witness in order to induce his testimony, the defense has a right to know the nature of the concessions that have been made, promised or implied to the witness in any discussions which the prosecution has had with the witness or his representatives in order to prove that the witness' testimony was biased by such discussions. Without disclosure defense counsel can only speculate that the concessions probably involve either pending or future charges against the witness. The disclosure is vital to proof on the issue of credibility. To deny disclosure of information which could influence the witness' testimony violates the accused's right to due process of law.

WHEREFORE, PREMISES CONSIDERED, the Defendant prays that the Court issue an order requiring the prosecutor to

reveal the exact nature of all negotiations and discussions with the witness Pete Olivares or his representatives concerning any promises or expectations, express or implied, of concessions which could or might be expected to occur in the event that the witness Pete Olivares cooperate with the prosecution by testifying against the Defendant herein.

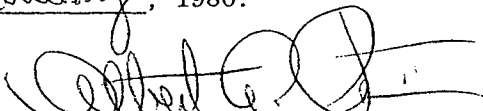

Respectfully submitted,

ALBERT A. PENA, III,
Attorney for the Defendant
