[Material removed]

Eddie Schilling was the first of three children born to Paula Hernandez and Fernando Schilling: Eddie, John Michael, and Julie Ann who was given up for adoption to a family in Florida. Paula entered into the marriage with a daughter, Pricilla who was fathered by; last name "Veto or Beto??" (Herbert "Beto") referred to in Susan Montez's rep't dated 06/24/2004.

Eddie spent time with his uncle Carlos Hernandez during his formative yrs. As long as he remembers Ch was an alcoholic, who drank beer and hard liquor daily. Ch drank Bush or Bud beer and smoked Marlboro "red" cigarettes. Eddie watched Ch do crazy things including fighting, yelling, throwing things, slamming doors all of which frightened Eddie and his siblings. Eddie witnessed ch verbally abuse Cindy Maxwell, the women he lived with form 1980 on. On more than one occasion Eddie confronted ch with things he had said and done while drinking, occasionally Ch showed remorse for his drinking behavior and apologized. Ch always carried a "big folding pocket knife" he brandished with bravado in front of Eddie and his siblings. Ch wore jeans and and t-shirts in the summer and in the winter jeans, sweat shirts, long sleeve thermo shirts or a blue coat with and light colored "fuzzy color" over his t-shirt.

Ch and Eddie's mother Paula were "very close" and ch was protective of Paula. "I'm sure if my uncle killed anyone he would have told my mother".

Eddie remembers visiting "a lady who had a van" with his father and his father asking Eddie, "who do you want to live with you mother or me?" Eddie chose to live with his mother Paula. Eddie's parents separated in 1986.

Eddie showed me the various residences Fidela, Cindy Maxwell and Ch, Dina lived at on approximately [material removed]. I check the distance from [material removed] to the 2600 block of SPID via Staples Street and found it to be approximately 11 miles.
