

**JSL notes of Peso summary of interview with John Michael(Hernandez) Schilling on 8/11/04**

28 years old—in and out of juvenile hall for 13 years.

Began hard time at 18 on this rap.

First offense for auto theft and residential burglary.

He wasn't around much; hung around Javier some.

Grandma Fidela—rotten, no good; she hated all the children; stayed away from her.

Carlos- Everyone was afraid of him. Stayed away:

Why was he afraid? **His mother (Paula) told him that “his uncle carved an X on the back of a woman.”**

“[When JMS was] Growing up he [CH] was always carrying, sharpening a knife. Buck knife? Yeah that's the knife.” [When shown picture.]

Didn't know C. Hernandez was dead.

Never heard about killings.

Uncle was “violent”. Javier came to mom's house with cuts on his leg? Who did this? CH. Javier let him because he's my brother.

Little sister is in contact with him.

Cried when spoke about his mom, Paula.
