

**JSL NOTES of RBW int with former Nueces County Constable Carolyn Vasquez,
11/23/04:**

Different rendition of arrest of CDL from Ruben's rendition

Not on SPID, but Port and Leopard; got call and went from there to Diamond Shamrock;

Came down to DS; then drove up Dodd [THIS KEY POINT IS CONSISTENT WITH RR]; it was she who saw puddle and saw movement under vehicle in the puddle and told Rivera and he made the arrest; then CCPD arrived and essentially took over and without so much as thank you, sent she and RR on their way.

No recollection of clothes or blood or anything like that. Just Hispanic male.
